MEETING TUESDAY NOON - QUAD CITY BOTANICAL CENTER

## JENNIFER HIRSCH

The Rock Island County Metropolitan Mass Transit District, commonly known as MetroLINK, moves people from one destination to another throughout the Illinois Quad Cities. Jennifer Hirsch, is Manager of Administration of MetroLINK. Jennifer has spent her entire career with MetroLINK and leads the organization in community outreach, business partnering, organizational development and management, media relations, and public relations strategies. She develops and initiates strategic plans for the organization and directs the administrative team through the business functions of the agency. She has been recognized as one of the Top 20 Women in Business by the Quad City Times and as a Quad Cities Leader under 40, and most recently as a one of the top 40 under 40 by Mass Transit magazine. She currently serves on the board for River Action, REDEEM, and DARI. She is also a proud Rock Island Rotarian. Jennifer holds a Bachelor of Arts degree in Human Resources and a Masters of Business Administration degree, both from Harding University. Today Jennifer presented an interesting and informative program about MetroLINK's new fleet. She began by making sure we all understood that MetroLINK provides public transportation for the Illinois Quad Cities. Davenport and Bettendorf have their own systems. MetroLINK employs 160 people. About 80 are drivers, another 20 are mechanics and technicians that keep the equipment running. Others provide management and office services, pilot River Cat boats, write grant applications, and do all that is necessary to keep MetroLINK as one of the most progressive urban transit systems. She noted that in 1995 90% of public transportation in the United States was powered by diesel engines and diesel fuel. Now in 2022 that number is approximately 40% with substantial grants and incentives provided by the federal government. MetroLINK is one of a very few in the nation that has already achieved 100% environmental friendly busses. Their current fleet is now 70% natural gas and 30% electric. Electric powered busses take 1 to 2 hours to fully charge and can then run for 8 to 10 hours. Currently all busses are recharged using solar panel power at the main MetroLINK garage. In the near future MetroLINK will install 3 additional rapid chargers one in each main terminal in East Moline, Moline, and Rock Island. These charges will allow a bus to stop underneath an arm that will lower and make contact with the bus and in approximately 7 minutes will provide enough charge to keep the busses running for the entire day. In the future MetroLINK hopes to provide chargers for public use on privately owned vehicles. They are currently in the process of converting their non-bus vehicles to electric power. Jennifer stated that a large influx of Federal infrastructure dollars and additional State funds from the Department of Transportation has made much of the switch over possible. Jennifer also spoke about the River Cat, which MetroLINK took over from River Action. Contracting boat captains and personnel from the Celebration Belle, MetroLINK provides river taxi service between Moline, Bettendorf, and Davenport using three (3) open-air passenger ferryboats on the Mississippi River. Service is generally provided from Memorial Day weekend through Labor Day, with additional weekend service through October (weather permitting). Boarding stations are Riverbend Commons near the WIU Quad Cities Campus, the Village of East Davenport Landing near Lindsay Park, John Deere Commons behind the Radisson Hotel in Moline near the TaxSlayer and John Deere Pavilion, and the Isle Casino Hotel in Bettendorf. Jennifer presented a fact filled, informative program and we thank her for a great job!

## FOUNDATION MINUTE

### October - Rotary's Month of Community Economic & Development

Rotary International District 3281 (Bangladesh) organized a ceremony to mark the 100 days of Rotary's current year at a hotel in Dhaka on Saturday. The DG, Mr. MA Wahab at the meeting said that this year, the Rotary Clubs were continuing their activities at the local level, inspired by the slogan 'Every Hour Rotary Cares'. According to an online news item, since July of 2022, at least 300 Lakh Rupees (US\$362,176.80) have been spent on more than 300 service activities every month. (Article excerpted from website below.)

<https://www.newagebd.net/article/183219/rotarys-100-days-celebrated>

Rotarians at the ceremony learned that in the first 100 days, TRF received 7 Lakh (US\$682,150). In addition, a Global Grant worth about 5 Lakh (US\$ 487,250) have been approved, which will be used to conduct various projects in Bangladesh along with local clubs.

Speakers in the evaluation meeting emphasized that the visits of Rotary International president Jennifer Jones and former president Holger Knaack to Bangladesh in the first 40 days of this year, were two rare events. At least a half-thousand Rotarians from different parts of the country attended the meeting.

## FOUNDATION RAFFLE

Today's raffle featured a bottle of fine wine, a 50/50 cash drawing, Home canned Bread & Butter Pickles, and fall flower bouquet. The first ticket pulled was held by Sue Rector who took the cash and donated it to the Rotary Foundation. A second ticket was pulled also held by Sue, who passed. An alternate ticket was pulled, and Ruth Lee had the winner and took the wine. The third winner was Dave Hodge who took the flowers for his wife (what a guy!). John Daly was our final winner who took home the delicious pickles. We thank and appreciate all those who participated. Proceeds go to the Rotary Foundation.

## FINES – HAPPY/SAD DOLLARS

2<sup>nd</sup> Vice President, Sue Rector had another successful day with fines and Happy/Sad Dollars. She began by fining herself for Kate Rectors (Alleman Jr. Rotarian) being in the paper again for her tennis skills and for promoting the CASI "Hat Bash" Fundraiser coming up on November 17<sup>th</sup>. Rebecca Arnold was fined for photos with her son Darius at Rocky Football Senior Night Recognition. Bob Swanson paid a \$5 fine for promoting this Saturday's Christian Care Pancake Breakfast from 8 to 11am at Trinity Church in Rock Island. Doug Hultquist had a happy dollar in honor of Augustana's Inauguration of President Andrea Talentino, a new member of our Club who joined Doug in paying a fine for all the photos and publicity in Sunday's newspapers. Gary Rowe threw in \$5 happy dollars for the Illini Football success, the Anniversary of Watergate and importance of investigative journalism, and for completion of our District Project, the new Youth Hope outdoor mural. Dave Hodge added a dollar also in celebration of the mural. Lonnie Behnke had a happy dollar for the Interact Club meeting its pickle/salsa fundraising goal and purchasing a water filter for children in Kenya. Ruth Lee had a very happy dollar announcing the anticipated arrival in April of a second grandson. Lindsey Honert had a happy dollar in honor of Kate Rector and Annie Rouse, two of our Alleman Jr. Rotarians who won the sectional doubles tennis crown and are heading to the state championship met. Reginald Lawrence offered a dollar fine for taking his Rotary badge home. Kevin Koski then strode to the podium and presented a \$20 fine noting that during his recent absence Angela Campbell had submitted news clippings about Finland and Finnish items aimed at fining Kevin. So, part of his money was to pay those fines, then he noted that during some of his absence from meetings he was in Finland with several cousins from the United States who during their visit met 20 cousins living in Finland. He also pointed out that one of the articles Angela submitted was about the Finnish Tree Hugging Championship. Kevin noted that Angela failed to point out that of the Hugging finalists was his cousin! Although admitting she had no way of knowing that Angela paid a \$1 fine for the omission. Another of the articles was about Brad Pitt having an Art display in Finland, unfortunately Kevin couldn't claim Brad as another cousin. Thanks to all who in good humor and generosity paid today's fines and happy dollars!

## BELL RINGING JUST AROUND THE CORNER!

Grab your favorite sweetheart and make it a holiday date! Sign up with Bob Swanson.

## Where is Jim Nordquist?

Fellow Rotarian Jim Nordquist sent me this photo on Saturday with no explanation.

So, I enlarged it to see what he is pointing to ...

It is a sign in a hotel in Dingle, Ireland giving notice that they are the host for the Rotary Club of Dingle meetings at 7pm on Mondays. We don't know if Jim was there on a meeting date or if he met any Irish Rotarians., but if he did I'm sure they have a favorable impression of Rock Island Rotarians! I also wonder if the folks there are asking Jim if he knows John Phillips, who recently returned from performing in Ireland. It is a small, small, world, and Rotary makes you feel welcome wherever your travels may take you!

## Rock Island Rotary Recognized for Polio Plus Support

Dr. Richard "Bud" Phillis, a Rock Island Rotarian since 1983 and long-time Rock Island Rotary Club Foundation Chairman will receive the award on behalf of our club.

President Gramenz received notification that Rock Island Rotary will receive a special certificate award for our support of Rotary's Polio Plus campaign. In 1985 Rotary International launched PolioPlus, the first and largest internationally coordinated private-sector support of a public health initiative, with an initial fundraising target of US \$120 million. The goal was set to eradicate polio from our earth. Since launching the PolioPlus program Rotary has raised **\$2.1 billion** and has committed to raise \$50 million each year for polio eradication activities until the disease is totally eliminated. When the campaign began there were an estimated 300,000 to 400,000 cases worldwide per year and the disease was prevalent in 125 countries. Today polio is epidemic in just two countries, Pakistan and Afghanistan and the total number of cases reported for 2021 was 6. The award is given to clubs that contributed in excess of \$1,500 during the past year to the Polio Plus Campaign. In the past 10 months our club contributed \$9,450.00. We led all clubs in the District with 27 founding members of the new Polio Plus Society. President Gramenz has asked Bud Phillis, our Club's sole polio survivor and longtime champion of our Polio Plus Campaign efforts to accept the award on behalf of Rock Island Rotary. The presentation will be made at the upcoming District 6420 Conference at Northern Illinois University in DeKalb November 4-5.

## Constantly Promoting Rotary – CPR Thursday!

Rotarians will meet at the Milan Happy Joes at 5:30 this Thursday for our October CPR social get-together. It's an informal relaxed setting where Rotarian friends can chat, get to know one another a bit better and often come up with some great suggestions for projects, activities, or improved procedures for our Club.

CPRs are also a fantastic opportunity to bring a friend, spouse, or potential member to meet your fellow club members in a social and non-threatening setting.

If you enjoy great adult beverages (or just soda or lemonade), excellent food, and not having to make it yourself, then CPR is just for you!

Join us this Thursday at the Milan Happy Joe's private party room starting at 5:30. Come when you can, leave when you must!

## PLEASE PICK YOUR REPLY CAREFULLY

In the course of each week, we all get many emails. Often we are asked to reply. When you do reply note that you have TWO OPTIONS: **REPLY** and **REPLY TO ALL**. If you just need to reply to the person sending you the email please use **REPLY**. If you use **REPLY TO ALL** then everyone who received the email also gets your reply and not everyone needs to know that you want a jar of pickles, or a seat at Circa 21. Some members use their business email for Rotary, and you may cause them issues with their employer from receiving too many non-business emails. PLEASE BE COURTEOUS AND LIMIT USE OF **REPLY TO ALL** TO WHEN IT IS REALLY REQUIRED. Thanks!

## JIM MORAN GIVES EARLYACT UPDATE

Jim Moran and Bud Phillis are our Rotary liaisons with the Jordan Elementary School EarlyAct Club. EarlyAct is the grade school extension of Rotary. Jim reported that during the pandemic and school closures the Club was dormant for over a year. They are now up and actively running. The Club meets twice monthly and currently has 25 kids as members. They have been discussing several potential projects and will be deciding on one withing the next couple of weeks. Jim said the principal and two sponsors are very supportive of the Club and that at their meeting on November 4<sup>th</sup> he and Bud will present a program for them reviewing who was Paul Harris, what is the Four Way Test” and the meaning of “Service Above Self”. Jim is very pleased with the student interest in EarlyAct and will report in the future on the project they adopt. In the past Jordan EarlyAct purchased our very first water filter for Kenya. We are all pleased that the Club is up and going again!

## PAUL HARRIS FELLOW RECOGNITION FOR TWO

Two of our members were recognized today for their dedicated and generous support of the Rotary Foundation. Jeff Dismer received his Paul Harris Plus 3 pin in honor of \$4,000 in Foundation contributions. Cindi Gramenz received her Paul Harris Plus 4 pin in honor of \$5,000 in Foundation Contributions. Both stated that regular relatively small contributions add up quickly over time. Congratulations to Jeff and Cindi whose Paul Harris Pins are now adorned with multiple sapphires! Congratulations and thank you.

## ROCK ISLAND ROTARY DISTRICT PROJECT UNVEILED AND DEDICATED AT YOUTH HOPE

It was a windy, chilling, frigid day on October 18<sup>th</sup> at 4pm but the spirits couldn't have been warmer than the many kids, staff members, Rotarians, and representatives of numerous other partner organizations had for the outdoor unveiling of our Club's 2022-23 District Grant Project. Initiated by a financial commitment by Rock Island Rotary, matching funds from Rotary District 6420, and additional grants from the Rock Island Community Foundation, the Rauch Family Foundation, the Doris & Victor Day Foundation, and Modern Woodman to ensure all costs were covered. Rotarian and Youth Hope Director of Centers, Dave Hodge was emcee for the event. The huge mural is a welcome improvement to the 11<sup>th</sup> Street corridor noted Rotarian and Rock Island Mayor Mike Thoms who along with Rotary President Cindi Gramenz, Rotary Assistant District Governor Gary Rowe, Dave Hodge, and club members Anne McGlynn, Tyla Sherwin-Cole, Amber Brummit, Tom Hammar, Molly Shattuck, Kenda Burrows, and Bob Swanson attended the event.

## CHANGES COMING TO ROCK ISLAND ROTARY "CPR"

In July our club began holding CPR (Constantly Promoting Rotary) gatherings each month. These informal afterwork half social – half Rotary meetings were held at various pubs and restaurants in the area and were the site of discussion about dues, membership, our foundations, and many other topics, all with the purpose of making our Club more relevant, more rewarding, and more fun. This Thursday our CPR will be held at the Milan Happy Joe's at 5:30. The meetings are open to all, including guests, and no topic or discussion item is off limits. Having completed our first quarter of the Rotary Year, CPR will now switch from monthly to a quarterly meeting. Watch for further information for date, place, and time. Under consideration is perhaps adding a monthly purely social Rotary event. This might be getting together for drinks and snacks or arranging to attend sports or entertainment events as a group. Got ideas? Interested in suggesting or planning social events? Please let President Cindi know!

## THIS IS NOT THE TIME TO BE SHY!

**Election of Club directors and officers for 2023-24 is quickly approaching. Four 2-year director terms, 2<sup>nd</sup> Vice-President, and Treasurer are "open seats" for next year. 2<sup>nd</sup> Vice-President traditionally advances to 1<sup>st</sup> Vice-President and 1<sup>st</sup> Vice-President traditionally advances to President. Our current secretary and Sgt. at Arms are willing to run for reelection, but all officers are elected positions. If you have interest in joining Club leadership, please speak with Gary Rowe, Nominating Committee Chair. You wouldn't be in Rotary if you weren't qualified!**
