# WEEKLY REVIEW

September 26, 2023  
Meeting Tuesdays at Noon – Quad City Botanical Center

Volume XXXI, Issue 12

## 100 Things to Do in the Quad Cities Before You Die!

Jonathan Turner is an author, piano player, and local journalist. He has expertise across a wide range of subject areas—including government, politics, education, the arts, economic development, historic preservation, business, and tourism—and is especially passionate about covering arts and culture.

A longtime piano player, he earned his bachelor's degree in music from Oberlin College and a master's in music education from Indiana University. In spring 2023, he was assistant music director and accompanist for the Quad City Music Guild production of "RENT."

Over the years, Jonathan has accompanied musicals, singers, choirs and instrumentalists, and performed as John Hinckley in a 2019 production of the musical "Assassins" at Moline's Black Box Theatre. Since 1999, he's been piano accompanist for Zion Lutheran Church in Davenport. He even wrote an original musical based on The Book of Job, "Hard to Believe," which premiered in 2010 at Playcrafters, Moline.

Jonathan wrote a 175-page history book about downtown Davenport, *A Brief History of Bucktown*, published by The History Press in 2016. Today he spoke about his new travel guide, *100 Things To Do in the Quad-Cities Before You Die*, that was published by Reedy Press in the fall 2022. In this book, Jonathan was limited to prescribed categories: Food/Drink, Music/Entertainment, Sports/Recreation, Shopping/Fashion, and Culture/History. He doesn't like, or necessarily understand, the bucket on the cover of the book, which got a chuckle out of the crowd!

Due to the nature of a print publication, some of the places found in his book have been renamed, sold, or gone out of business. He gave examples like Taxslayer Center now called Vibrant Arena; River Music Experience now called Common Chord; and so on. To keep his work updated, he created a website: [www.100thingsQC.com](http://www.100thingsQC.com), where you can link to some of the business names and go directly to their webpages. For those wanting the print version of his book, they are available at the Visitor's Centers in Davenport and Moline; at the Artsy Bookworm in Rock Island; at the Putnam Museum gift shop; and on Amazon. He explained that print revisions aren't possible until the first printing is all sold out (hint hint.)

Jonathan is still writing for the media, just a different kind. He joined the Local 4 News Team in 2021 after a layoff and COVID, and has been doing detailed articles on [ourquadcities.com](http://ourquadcities.com) ever since. It's clear from his presentation that he loves to write, and loves exploring the Quad Cities even more. Thank you for sharing your story!

## The Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

**FIRST:** The development of acquaintance as an opportunity for service;

**SECOND:** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

**THIRD:** The application of the ideal of service in each Rotarian's personal, business, and community life;

**FOURTH:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## And the Required Minimum Distribution (RMD)

If you are a Rock Island Rotarian in your seventies or older and you have an IRA or other tax deferred investment account, you likely already know about the "Required Minimum Distribution" or RMD.

For those covered under these IRS guidelines, a minimum amount must be withdrawn annually as taxable income. You might consider a tax-free charitable donation to our club's Rock Island Rotary Foundation. You can direct

the institution holding your investment account to make a transfer to our Club Foundation.

Our foundation has supported important projects in Rock Island for several years. Some of them include the Children's Garden at the QC Botanical Center, Lights at the Girl's Softball Field, and the Entrepreneurship Class at Rock Island High School. Earlier this year, our club donated \$20,000 for an outdoor classroom at the Martin Luther King Center.

You can donate from your IRA tax free or if you prefer, write a check to the Rock Island Rotary Foundation. Our club treasurer, Molly Shattuck will be happy to take your donation. Contact John Phillips at 309-428-5495 for more information on how you can support our Rock Island Rotary Foundation. Thank-you.

*\*You should seek advice from your attorney or tax professional to see how this information applies to your financial situation.*

## SILENT AUCTION ITEMS NEEDED

Our Trivia Night Committee is working hard to ensure the 2023 event has the best Silent Auction ever! If you have items to donate for the Auction, please contact Sue Rector and she will arrange to get or pick up anything you have and store it until auction time. Baskets need to be created, items photographed, and descriptions prepared for advertising. That all takes time and “time flies”. So, it is not too early to take inventory of those gifts you received and done need or use, and purchased you made and never put to use. Contact Sue at [srector@gmail.com](mailto:srector@gmail.com) or 563-343-7985 and she will gladly arrange to take it off your hands.

## FINES / HAPPY / SAD DOLLARS

Although 2nd VP, John Olinger, was not in attendance, there were few fines levied. Dan McNeil paid \$1 to leave early; everyone applauded Stan and Kay Coin's 65th wedding anniversary; and Mark Zimmerman picked on Bob Swanson's math skills, paying \$120 to make up the difference on what he was undercharged for pop from the Milan festival.

## HELP FIGHT HUNGER – HELP ROCKY INTERACT CLUB

The Rocky Interact Club is working hard to help Rock Island High School win this year and asks us to help. It is simple and very easy, just click on the link and make a donation online. Your donation will be used to purchase food for distribution to those in need throughout our local area. Interact will receive credit for your help! Donate Now, Donate Often!

## NOMINATING COMMITTEE

The Nominating Committee will meet on Tuesday, October 3, immediately following the Club meeting. The Committee is responsible for identifying candidates for the Officers' and Directors' positions for 2024-2025 program year. Committee members are Gary Rowe, Chair; Jeff Dismer, Frank Lambert, Ruth Lee, Anne McGlynn, and Sue Rector.

## Jeff Sr. Honors Jeff Jr.

Sue Rector introduced Jeff Rose, who recently named his son, Jeff Rose, Jr., as a Paul Harris Fellow. The senior Jeff thanked Sue for helping him figure out his PHF points, and thanked John Wetzel for donating additional points to make the PHF possible.

In a moving speech, Jeff Rose, Sr. praised his son as a worthy recipient of the award. "Augustana College is a great community partner. My son is in charge of strength and conditioning for all 28 sports offered at the College. He's extremely dedicated to his job, opening the gym at 5:45am, and closing it around 8pm." He went on to say that he is extremely proud of his son who is an example of the Rotary values. Congratulations to both Jeffs! We are definitely lucky to have them and Augustana in our community!

## EarlyAct, Interact, and Rotaract: What's the Difference?

EarlyAct is a school-wide service club for elementary students from ages 5 to 13. It is sponsored by one of the local Rotary clubs in the town in which the school is located. Bud Phillis and Jim Moran work with the EarlyAct group at Jordan. Jim gave an exhaustive list of all the amazing things they do, for example: cards to homebound persons, adopting endangered animals, a water filter project (before we had a water filter project!), collecting books for University of Iowa Children's Hospital, starting a Christmas Greeting Hotline, and a sensory path (to name a few.)

Interact is Rotary International's service club for young people ages 12 to 18. Interact clubs are sponsored by individual Rotary clubs, which provide support and guidance, but they are self-governing and self-supporting. Member Lonnie Behnke leads this group who also does amazing work out in the community!

Rotaract is a club for adults ages 18-30 that meets twice a month to exchange ideas, plan activities and projects, and socialize. While Rotary clubs serve as sponsors, Rotaract clubs decide how to organize and run their club and what projects and activities to carry out. Rock Island Rotary sponsors a Rotaract Club at Augustana College, with Tia Steele as their advisor. They had four students at the first meeting this year, with 17 additional interested. Officers will be elected at their next meeting.

## PERFECT ATTENDANCE

**Congratulations to Rick Devinney, who celebrated 1 year of perfect attendance!**

**Congratulations to Sue Rector, who celebrated 2 years of perfect attendance!**

**If you'd like to receive perfect attendance, just show up to our weekly meetings.**

**Can't make it? No worries! Do a make-up meeting at a different club, attend a Rotary event, or go to a Rotary Board meeting.**

**Just let Anne McGlynn know about any make-ups you do!**

# ROTARY INTERNATIONAL FOUNDATION MINUTE

## Welcome to Week 3 of RI's Month of Basic Education & Literacy

Ten years ago, thinking it was carrying out one of Rotary International's major goals; that of providing quality education, the Rotary Club of Panama Norte supplied two grade schools in the country with backpacks filled with technological gadgets. Unfortunately, the students did not benefit from this largesse because their teachers did not know what to do with the supplies. Club member Enedelsy Escobar-King, explained that "Most of the time.... we found that all of the computers were destroyed, or they were to be discarded, or that teachers didn't know how to use them." Working with the Rotary Club of Westchester (Los Angeles), the Panamá Norte club put together a global grant that received \$72,000 from TRF, District 5280 (California), the club itself, and other sources. Among other things, it provided each school with 30 laptops for students; a smart, interactive whiteboard to digitize classroom presentations and tasks; and all the auxiliary hardware and furniture required for a high-tech, 21st-century classroom. To ensure the project's success, the grant also provided for extensive training of school staff and community leaders. For Escobar-King, a retired UNICEF worker from Panama and Rotarian since 2015, providing all grade schools with digital education was the main goal, "...As part of the curriculum, would-be teachers have to teach in a real classroom. So, we said, OK, let's make sure they do it in interactive classrooms."

Working with the Rotary Club of Kansas City-Plaza in Missouri, as well as other clubs in Panama, the Panamá Norte club applied for and received a Global Grant of more than \$230,000 for what they called the Paul Harris Interactive Digital Classrooms. Six of the classrooms would be installed at the Normal School, and another classroom at each of the two nearby grade schools where the apprentice teachers would do their in-class training. According to the calculations laid out in the Global Grant, each teacher, once graduated and posted in a school, will have 30 students in a classroom. Over just one year, that means that as many as 2,500 students would be beneficiaries of the project.

Congratulations to Escobar-King and the Rotary Club of Panama Norte for their enthusiastic effort to move the educational bridge of young Panamanians smoothly on the 21st Century Lane!
