Rock Island, Illinois

Meeting Tuesdays at Noon – Quad City Botanical Center

Dr. Heidi Lung Dir. of Museum Studies WIU Quad Cities

Heidi Lung, Ph.D. is Associate Professor and Director of Museum Studies. She earned her bachelor of arts degree in art history at Lindenwood University and her master of arts in history and museums studies and her Ph.D.

in Education from the University of Missouri – St. Louis. She was Program Director and Associate Professor for the University of Iowa Museum Studies program for seven years and served four years as President of the Board of Directors of the Iowa Museum Association. She has over 25 years of experience in museum education, community outreach, and leadership for museums and organizations, including the Saint Louis Art Museum, Challenger Center for Space Science Education, the Missouri Historical Society in St. Louis, and the Iowa Museum Association. In June of 2022 she accepted the position of Associate Professor and Director, Museum Studies Graduate Program at Western Illinois University-Quad Cities. Dr. Lung began by saying that the first job she had came from answering a newspaper job ad seeking applicants for the St. Louis Art Museum. She said she went in not knowing exactly what the job would entail, but found it to be a fantastic experience. She was asked to create an audio tour of the museum the visitors could listen to as they walked through the various exhibits. She wrote grants and curriculum for students and teachers who visited the museum. It was

a job she loved and thought she would stay forever until another opportunity came knocking. We all know of the NASA Shuttle “Challenger”, the tragically broke apart 73 seconds into its flight, killing all seven crew members aboard. Subsequently in 1986, the families of the crew established the Challenger Center as a way to honor their loved ones while keeping their educational mission alive. A Challenger Learning Center Opened in St. Louis and needed persons with professional museum training. Dr. Lung moved to the Learning Center where she got to design exhibits, lead students on simulated space missions to the moon, Mars and other celestial destinations. She learned to create exhibit label descriptions. She dressed daily in a NASA flight suit and lead student groups by assigning jobs with specific tasks to be completed during the simulation. The Center had both a control center simulation and a shuttle simulation. Dr. Lung was particularly interested in learning how people learn. She noted that people who visit museums come to learn, but want to pick and choose what they want to learn. Her next job move was to the University of Iowa who has had a Museum Studies program for more than 100 years. She earned her Doctorate in Education and began teaching others the many aspects of museum establishment, management, maintenance, programming, and promotion. After seven years at Iowa she accepted the position at Western Illinois University – Quad Cities with an opportunity to teach graduate level students. She explained that Museum Studies students come from many diverse fields of study. All have a love of learning and museums. She urges her students to follow their hearts and take risks – just like she did! She closed by saying it is a wide open and expanding field with over 35,000 museums in the United States and a major shortage of trained museum professionals. Thank you Dr. Lung for a educational and very interesting presentation!

Club Notes & Announcements!

- ★ **WELCOME GUESTS** – Today we welcomed just one guest. Prospective member Forest Meyer sponsored by Ruth Lee. Rock Island Rotary loves to welcome guest and visiting Rotarians to our meetings. We are convinced that those that attend a “Number 1 Club” meeting will want to return!
- ★ **IMPORTANT ROTARY EVENTS COMING UP!**
 - **ROCK & ROLL BINGO** – Rock Island Rotary Rock & Roll Bingo is coming up on **March 22nd**. You can email Kathy at kathy@wesselspc.com. You don’t need a team and you don’t need a table. Like any “BINGO” each person plays independently. Don’t miss this fun evening that has become one of our most popular **fundraisers!**
 - **DISTRICT CONFERENCE** – Our Rotary District Conference will be held in Moline at the Stoney Creek Hotel on **April 26th & 27th**. There will be great speakers, interesting discussions, club displays, entertainment, and District awards presented. Talk to any of our members that attended previous Conferences and they will tell you it is an experience well worth your time. If you’ve not been to the Stoney Creek Hotel, it is just east of the Vibrant Arena and near to Johnny’s Steak House.
 - **ROTARY WINE & DINE RAFFLE** – Tickets are now available for our 2024 Wine & Dine Raffle with winners to be drawn, **May 28th**. Tickets are just \$5 or five for \$20. There will be five winners, each receiving a \$200 gift certificate for food and beverage at one of five selected Rock Island and Milan establishments. See Ruth Lee to purchase tickets OR If you will help promote and/or sell tickets to your friends and colleagues, Ruth will provide returnable tickets on consignment to you and small posters for display..
- ★ **START COLLECTING FOOD!** During the month of April, we will be gathering food for World Relief. They are in need of vegetable oil, rice (jasmine or long-grain white), and flour (wheat, rice, or cornmeal). Please bring your donation to any meeting in April. This will be our final collection for this Rotary year. The goal for the year is 20 pounds of food per member. Cindi has been keeping the tally and we have a way to go! Although rice isn’t very heavy, flour and vegetable oil can get you caught up fairly quickly. The challenge is fun, but the need is very serious and important.
- ★ **HAVE ITEMS FOR NEWSLETTER?** – Send to, bobdebswanson@att.net. Our newsletter goes via email every Tuesday afternoon. Items received by 11am Tuesday can be included that day. committee chairmen send advance notice of your committee meetings so we can get the word to your members.

The Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST: The development of acquaintance as an opportunity for service;

SECOND: High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian’s occupation as an opportunity to serve society;

THIRD: The application of the ideal of service in each Rotarian’s personal, business, and community life;

FOURTH: The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

The Four-Way Test (of the things we Think, Say or Do)

1. Is it the **TRUTH?**
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS?**
4. Will it be **BENEFICIAL** to all concerned?

We Are Depending on YOU!

Our Club Meeting on Tuesday, April 23rd has been selected for our annual Awards Luncheon. For members there is no cost and nothing different than attending any other Tuesday Rotary meeting. However, for a half dozen students representing Alleman, Rock Island High School, and Augustana College; Fellow Club Members who will receive our highest honors; and two special local citizens who will be honored for Community Service and Professional Excellence, it will be very special.

You will find our Awards Nomination Form on the final two pages of our newsletter today and for the next several weeks will be. We need your suggestions for people to consider for our Club's A.T. Peara Award and Luckenbill-Wray Awards. We also need your suggestions of people to consider for Outstanding Community Service and Professional Excellence Awards. The more we have to consider the better our selections can be! We will invite and urge local media to be present at the luncheon and will also invite our community award winners to join our entourage in the Rock Island Labor Day Parade. The nomination form is self explanatory and easy to fill out, but the more detail you can provide the better for our selection committee. **So far the Response has been slow** - so please take a few minutes and submit your nominations to Sarah Gorham (email sgorham@sbrlawfirm.law) and plan to attend the Luncheon.

ROTARY FOUNDATION MINUTE

The news this week, in an online report by Arnold R. Grahl, highlights the continued effort of TRF to lighten the burden of victims of devastating disasters.

A year after the most powerful earthquake in nearly a century devastated parts of Turkey and Syria, Rotary members have helped people rebuild with container homes for hundreds of families, hospital equipment, and other essential support.

A special Disaster Relief Fund created by The Rotary Foundation, now closed to contributions, raised more than US\$2 million from donors around the world and funded about 60 grants that have allowed Rotary members to provide shelter, medical care, and other necessities.

The earthquake on 6 February 2023 killed more than 55,000 people and affected 15 million others across southern Turkey and northern Syria. Many clubs and districts have organized humanitarian initiatives guided by Rotarians in the affected areas. The three districts in Turkey worked together to implement projects totaling US\$10 million.

Immediately after the earthquake, Rotarians in Turkey set up three tent cities to provide temporary shelter for 2,000 families. The districts have since used US\$50,000 Disaster Response Grants coupled with other funds to establish two container cities while providing support for a third container city built by the local government in Ankara. Each container city includes units from large shipping containers for 110 families equipped with beds, mattresses, air conditioning units, water heaters, refrigerators, toilets, a bathtub, and kitchens. The Rotarians also built mobile kindergartens and prefabricated schools, a medical clinic, and a laundry facility in or near the container cities.

Refik Kutluer, president of the Rotary Club of Ankara International, says his club arranged for six children whose limbs were amputated from injuries suffered in the earthquake to receive prosthetic limbs at hospitals in the United States. The treatments were provided at no cost to the families. "All these children have returned home and are again able to walk," Kutluer says. "They continue to express their gratitude to Rotary saying that after the earthquake, they felt hopeless, but now they have been restored to life." The Ankara International club also provided a mobile science laboratory and classroom for Ata College, almost completely destroyed by the earthquake. The school lost 26 students, two teachers, and two staff members in the quake. Classes are being held in prefabricated buildings. Rotary and Rotaract members have also purchased essential equipment for a hospital in Antakya. Using two US\$50,000 grants, District 2430, Turkey, provided an ultrasound machine that hospital administrators requested as well as equipment to perform colonoscopies and endoscopies.

Rotarian support for the Rotary Foundation made this possible!

SLIGHT CHANGE IN 2024-25 CLUB OFFICERS

Tracy Pugh who has served as a Sergeant at Arms Aide for the past several years was nominated and elected to serve as Sergeant at Arms for the 2024-25 Rotary year. Unfortunately, increased duties and travel requirements at work making it difficult to attend regularly, led to Tracy's request to remain as an Aide rather than Sergeant at Arms. Current Sergeant at Arms, Bob Swanson was asked to remain in that position for the coming Rotary year and has agreed. Our Board of directors approved Tracy's request and the nomination of Bob as Sergeant at Arms. We will ask for a Club vote at next weeks meeting.

CLUB WILL PROVIDE AUCTION BASKET FOR DISTRICT CONFERENCE

A popular fundraising aspect of the upcoming District Conference is a silent auction basket event with Clubs in the districted asked to create and donate a basket. Rock Island Rotary has participated each year and will continue that effort at this year's Conference in April. Sue Rector has volunteer to spearhead creating the basket and came up with the idea of highlighting Rock Island with a basket loaded with "Made in Rock Island" and Rock Island related items. Sue has Boetje's Mustard, but we know there is much more out there. Anyone who can provide an appropriate item for the basket, please get it to Sue as soon as possible. Anything from a product, to an Augustana item, to a toy Rock Island Lines locomotive, (just to give a few ideas) will be great! Time is of the essence so please get your item to Sue or let her know it is coming in the next two weeks.

WELCOME OUR MOST RECENT NEW MEMBER!

Today past president Angela Campbell had the privilege of inducting **James Jones** as our newest Rock Island Rotarian. James is the Housing Manager for the Rock Island Economic Growth Corporation and serves as the lead for GROWTH's homebuyer education, financial literacy, and foreclosure prevention counseling activities. He also implements GROWTH's various outreach programs. He will also be the "Corporate Active" Rotary member for the Growth Corporation.

James works individually with clients and regional community members towards personal and economic independence and self-sufficiency. James has over 12 years' experience in financial counseling and real estate and is certified as a HUD-approved Housing Counselor and Building Competency in Housing Counseling and Foreclosure Prevention. He leads GROWTH's single-family financial education efforts in Illinois. He has counseled over 300 low-to-moderate income home buyers in financial education and down payment assistance programs since beginning his start date in February 2017. We are pleased to greet him as a Rock Island Rotarian. Please greet and welcome James when you see him.

Bill Stengel Honors Grand daughter with a Paul Harris Award

Club Foundation Chair Sue Rector today recognized Bill Stengel for honoring another member of his family as a Paul Harris Fellow. Bill joined our club in 2008 and is himself a Paul Harris Fellow and today chose to honor his granddaughter, Brynne Stengel, by naming her a Paul Harris Fellow. The honor was available in recognition of Bill's generous donations to the Rotary International Foundation. He has previously honored his grandson Dylan Stengel with a Paul Harris Fellow award. A Rotarian may earn Paul Harris Fellow honors for each \$1000 contributed to the Foundation. Our club assists members with a \$400 match when the member personal donations reach \$600. Members such as Bill have earned multiple Paul Harris honors and after receiving their own Paul Harris Fellow award can direct future awards to recognize any others they might wish to honor. Congratulations to Bill!

FOUNDATION RAFFLE

Today our Foundation Raffle offered a 50/50 Cash Drawing and TWO bottles of fine chardonnay wine. Sue Rector handled the drawing with Ernie Beane pulling the winning tickets. The first one drawn was held by Frank Lambert who took the cash. The second ticket drawn was held by today's presiding officer, Bud Phillis and he had his pick of one of the wines. The last ticket drawn giving the winner the final coveted wine was held by Amber Wood. Thanks to everyone who played! Proceeds from our weekly raffle go to support the Rotary International Foundation.

FINES & HAPPY/SAD DOLLARS

V.P. John Oliger was greeted with the usual chorus of "Boos" and "Catcalls" as he stepped to the rostrum to level fines on club members. He began with a fine on himself for needing to leave early today. Then in a surprise move of charity he announced there would be no more fines and asked for Happy/Sad dollars. Jim Moran rose to the occasion with a \$5 Happy contribution in honor of his daughter opening a new place of business in Bettendorf called Glow Haven offer the finest in facials and beauty treatment and care. John Wetzel had an "Eat Crow" sad dollar for Iowa men's basketball losing to Illinois for the 3rd time this season! Gary Rowe answered with a happy dollar for serving up the crow for John and celebrating Illinois winning the Big 10 Tournament. Bud Phillis added his own happy dollar celebrating the Illini victory. New member James Jones had a happy dollar announcing that the Growth Corporation has a program with funds available to pay up to a full year in delinquent back rental payments for area citizens and provide counseling and education to help those served to avoid similar problems in the future. Amber Wood had a happy dollar celebrating today, the first day of Spring, and also to point out fliers on our tables with information and registration forms for the upcoming SAL Community Services Golf Outing. All Rotarians are invited to participate. Kai Swanson had a happy and proud dollar in honor of his wife Jenni Swanson being recognized by the Quad City Business Journal as one of the "Most Influential Women in the Quad Cities". Kai said he's been award of that for years! Heather Ballou had a happy dollar noting that spring means the start of field trip season and Heather and the Botanical Center are gearing up for a big year of student tours and educational programs. Heather is the Director of Education for the Center. Howard Beck, who was warmly welcomed back after an extended absence offered \$5 happy dollars for being back and for all the fines he probably missed when absent. It was great to have him back with us! Thanks to everyone who joined today's fun and for your generosity!

VOLUNTEERS NEEDED FOR THE MARY FISLAR SCHOLARSHIP COMMITTEE

Dick Fislar and Marcy Bell have provided the funds to establish a Rotary Mary Fislar Memorial Scholarship. A criterion for the scholarship has been prepared and the intent is to award the first scholarship at the end of the current school year.

Yesterday our Board of Directors approved the establishment of a Mary Fislar Scholarship Committee. President Cindi Gramenz will initially lead this committee. The committee's primary function will be to review scholarship applicants' credentials, academic records, service history, make the selection of the scholarship recipient, and to participate in the planning of an appropriate presentation ceremony.

If interested please see Cindi as soon as possible! See her in person or email cgramenz15@gmail.com.

ROTARY WINE & DINE RAFFLE TICKETS ARE AVAILABLE NOW!

See Ruth Lee or Gary Rowe to purchase tickets and/or to obtain tickets to sell.
You may return unsold tickets. Small window posters are also available for your place of business.
Tickets are just \$5 or five for \$20.

Five lucky winners will receive a \$200 Gift Certificate to one of five outstanding local food and beverage establishments including: The Rock Island Ale House, Circa21 Dinner Playhouse, Huckleberry's Italian Restaurant, The Old Oaks Winery, and Pagalo's Pizzeria & Gelato Café.

HERE'S HOPING TO HAVE A ROTARY EXCHANGE SON OR DAUGHTER!

Rock Island Rotary has a long-standing tradition of hosting a Rotary Youth Exchange Student every year. High School aged students from all over the world would be with us for an entire school year, living with a host family for 3 to 4 months, then moving to a second host family, and finally to a third as a way to ensure the broadest possible experience in American culture for the visiting student. The exchange students alternate annually between attending Alleman Catholic High School and Rock Island High School. They also attend each of our weekly meetings and near the end of their year present a program to the club regarding both their experience with us and treating us to a look into their homeland, culture, schools, and family. Unfortunately, the pandemic put the entire Rotary International Student Exchange on hold and students that were in the United States, including our own Exchange Son were called home. Last year the Exchange program was restarted on a limited basis, and we did not get a student. This past week our Board of Directors voted to reaffirm our commitment to the Exchange program and authorized Jeff Dismer, our Exchange Committee Chairman to submit the paperwork required to request an inbound student for next school year which will start in August. Today Jeff reported that the papers are submitted, and we now need to line up volunteer host families. Many in our club have hosted and all will verify that it is an incredible experience. If you have an interest in learning more about hosting, please contact Jeff and he will be happy to provide detailed information. Jeff stressed that there is no guarantee we will get a student since restarting the program internationally is in the infant stages, but we need to be prepared! Keep your Rotary Fingers Crossed!!

TODAY WAS FOUNDATION TUESDAY

Our foundation chair, Sue Rector, reported that at a recent District 6420 Foundation Committee meeting District Foundation Chair Laura Kann, who will present our program on April 9th, explained that the donations we make to the Rotary International Foundation are held for 3 years by Rotary International. At the end of the 3 years 50% of the funds donated from our used for International Rotary programs such as Global Grants. The other 50% is returned to our District where the funds are used for District Grants. Our Club has received a district grant each year for many years and has used the money for numerous community projects. It is important for all of us to realized that we only get District Grants because of our contributions to Rotary International. Sue also reported that our District is partnering with a Rotary District in California in a Global Grant which will provide Flea/Tick collars for dogs in an area where a major infestation of the parasites has occurred.

Thanks a lot Sue! We'll all sleep well tonight!

NOMINATIONS NEEDED FOR ROTARY AWARDS

Please take a few minutes and carefully examine the final two pages of today's newsletter. Those pages contain the nomination form for the 2024 Rotary Awards to be presented on April 23rd to a local citizen for Outstanding Community Service, and to a citizen for Excellence in their chosen Profession or Endeavor. We also will be honoring two of our club members through the Luckenbill-Wray Award and the A.T. Peara Service Above Self Award. The first award recognizes outstanding contributions to Rock Island Rotary during the past Rotary year. The Second is a one-time award recognizing a member for a lifetime of faithfully exhibiting the Ideals and Principles of Rotary.

We can only make the best selections if we get your help by nominating those that you believe are deserving of the awards. Please, take a few minutes, fill out the form and submit your nominations.
